

HEALTH & SAFETY POLICY DOCUMENT

It is the policy of CT Flat Roofing Ltd., that we shall ensure the health, safety and welfare at work of all our employees and any other persons within the workplace and on-site who may be affected by our activities. We (CT Flat Roofing Ltd) intend to carry out our undertakings in such a way that the general public are not exposed to risks to their health and safety.

It is the intention of CT Flat Roofing Ltd. to identify, eliminate or reduce and control hazards in the workplace.

CT Flat Roofing Ltd will provide and maintain:

1. Machinery and equipment that is safe for use and without risk to health.
2. Safe systems for handling, storage, and transportation of equipment and materials without risk to health.
3. Information, instruction and training of all employees that ensures their health and safety.
4. A safe working environment maintaining the safety and welfare of all employees..

The company will make every effort to keep up to date with Health and Safety legislation both current and future. Where necessary external assistance will be requested as appropriate from eg, the local fire service, the local authority and other bodies with the skills required.

A copy of this policy document is available to all employees. All documents will be reviewed annually and updated as required or in the case of any significant change which may affect the health and safety of employees or anyone else affected by our work.
